OUR MISSION

The mission of The Learning Center is to help students become independent, self-confident, and efficient learners. The programs and services of The Learning Center are available to all students of the college to foster success and retention through mastery of course content and skills. As a partner with students, faculty, staff, and administrators, The Learning Center strives to uphold the mission, standards, and requirements of Shelton State Community College.

We provide technological resources for a variety of educational uses, including but not limited to: Internet, word processing, respiratory therapy, nursing, statistics, spreadsheets, study skills, job skills, resume writing, grammar, reading, math and multimedia programs. We also offer tutoring in math, science, and English. Printing is free for the first ten pages, for now, but a charge may apply in the future. Please stop by and visit us but remember to bring your current Shelton State student ID .

YOUR SUCCESS

- Read the class syllabus carefully. Ask the instructor to clarify anything you do not understand.
- Make a weekly class/study schedule and quarterly calendar of academic due dates.
- Look for places to study on campus that are convenient, quiet and comfortable.
- Locate the computer labs and tutoring labs on campus.
- Start a study group. Get to know other students in your class.
- Keep up with your studying and class assignments.
- Find out the deadlines and procedures for adding and dropping classes.
- Find out how to contact your instructor and where his/her office is located.
- Do not be afraid to ask or seek help or assistance.
